

Hobby Hub at GO Action Plan

1. Survey Members

- Discover what hobbies people love with a survey (paper/church connect)
- Give people about a month to fill it out with reminders. (See sample survey)
- Next step: Use results to create groups around shared hobbies.

2. Create Themed Hobby Groups

- Form small groups based on interests.
- Assign a coordinator to lead each group.

3. Plan Gatherings

- Meet monthly or bi-weekly, whatever works best for each group
- Locations: Meet at homes, parks, or where the activity fits!

4. Kickoff Event

- Throw a "Hobby Hub Kickoff" at church.
- Set up fun tables for each hobby, meet leaders, and sign up
- Keep it casual-- bring snacks, play games and mingle.

5. Spread the Word

- Promote in bulletins, newsletter, and social media.
- Create a Facebook page and use GroupMe to stay connected.
- Post updates and event invites on church bulletin boards.
- Create a calendar to track all the Hobby Hub events.

6. Keep the Fun Going

- Host occasional all-church events to show off hobbies (like crafts fair or picnic.)
- Encourage members to invite friends and family to grow the community.
- Invite new members to fill out a survey and join a group.

7. Feedback Loop

- After a few months, check in to see how it's going.
- Add new hobbies as needed and keep everyone engaged.
