“Lean on the Lord”

Housefires

Lean on, lean on
Lean on, lean on (Yeah)

I remember when I was just a kid
Didn't worry 'bout a thing, the world was simple
then
But it's different now and hard to figure out
At some point I've got to learn to lay my questions
down

(Oh-oh)
I've tried to make sense of it all but I just can't
(Oh-oh)
When I don't understand

I lean on the Lord
Lean on the Lord
Some things don't make sense
But one thing's for sure
When I lean on You, Lord
Lean on You, Lord
Somehow Your love gives me the strength to go on
So I lean on the Lord

Lean on, lean on
(Lean on, lean on)
Lean on, lean on

You didn't fail me then, You won't fail me now
If I'm still breathing there's a reason that I'm still
around
So I will trust in You and put my hope in You
Keep me on the straight and narrow, oh, just like
You do

(Oh-oh)
I've tried to make sense of it all but I just can't
(Oh-oh)
When I don't understand

I lean on the Lord
Lean on the Lord
Some things don't make sense
But one thing's for sure
When I lean on You, Lord
Lean on You, Lord
Somehow Your love gives me the strength to go
on
So I lean on the Lord

Lean on, lean on (Yeah)
(Lean on, lean on) (Come on)
Lean on, lean on
(Lean on, lean on)

Your word, Your grace, Your strength
I'm learning how to lean on
Your word, Your grace, Your strength
I'm learning how to lean on
Your word, Your grace, Your strength
I'm learning how to lean on
Your word, Your grace, Your strength
I'm learning how to—

Be strong enough (Be strong enough)
Be strong enough (For you to lean on)
(Lean on, lean on)

He can carry your burdens (Lean on, lean on)
He can carry your shame (Lean on, lean on)
You can lean on the Lord (Lean on, lean on)
You can lean on the Lord (Lean on, lean on)
One thing's for sure, you can lean on the Lord
(Lean on, lean on)

No other help I know (Woo!)
No other help I know (Church, come on!)
No other help I know (Sing that!)
Jesus's, Jesus

“Firm Foundation”
Maverick City Music

Christ is my firm foundation
The rock on which I stand
When everything around me is shaken
I've never been more glad
That I put my faith in Jesus
'Cause He's never let me down
He's faithful through generations
So why would He fail now?
He won't

No, He won't, no, He won't
No, He won't
He won't, He won't, He won't, He won't

I've still got joy in chaos
I've got peace that makes no sense
I won't be going under
I'm not held by my own strength
'Cause I've built my life on Jesus
He's never let me down
He's faithful through every season
So why would He fail now? (Shout it out)

He won't
He won't
He won't fail
He won't fail

I have a testimony
I have a story to sing
This is my story, this is my song
I have a testimony
Can I sing my testimony?

Rain came, wind blew
But my house was built on You
I'm safe with You
I'm gonna make it through (I feel somebody's faith rising)
Rain came, wind blew
But my house was built on You (this is the reason you made it, 'cause)
I'm safe with You

Never seen the righteous forsaken
And He won't start now
Never seen the righteous forsaken
And He won't start now

“Build My Life”
Bethel Music

Worthy of every song we could ever sing
Worthy of all the praise we could ever bring
Worthy of every breath we could ever breathe
We live for You

Jesus, the Name above every other name
Jesus, the only One who could ever save
Worthy of every breath we could ever breathe
We live for You
Oh, we live for You

(Holy)
Holy, there is no one like You
There is none beside You
Open up my eyes in wonder
And show me who You are
And fill me with Your heart
And lead me in Your love to those around me

Lead me in Your love
Lead me in Your love

And I will build my life upon Your love
It is a firm foundation
And I will put my trust in You alone
And I will not be shaken
I will build my life upon Your love
It is a firm foundation
And I will put my trust in You alone
And I will not be shaken

You are holy

And I will build my life upon Your love
It is a firm foundation
And I will put my trust in You alone
And I will not be shaken (I will build my life upon)
I will build my life upon Your love
It is a firm foundation
And I will put my trust in You alone
And I will not be shaken
I will not be shaken
I will not be shaken

“New Wine” Maverick City

In the crushing
In the pressing
You are making new wine
In the soil, I now surrender
You are breaking new ground
So I yield to you
And to your careful hand
When I trust you
I don't need to understand

So make me a vessel
Make me an offering
Make me whatever You want me to be
I came here with nothing
But all You have given me
Jesus, bring new wine out of me

Where there is new wine
There is new power
There is a freedom
And the Kingdom is here
I Lay down my offering
To carry the new wine today

Jesus, bring new wine out of me
Jesus, bring new wine out of me
Jesus, bring new wine out of me
Jesus, bring new wine out of me

Where there is new wine
There is new power
Where there is freedom
The Kingdom is here
I lay down my offering
To carry the new wine, today

I lay down my offering
Oh, Ooh Ooh
I lay down my offering
Oh, Ooh Ooh

[Bridge]
Won't You breathe on us
(Breathe on Us, Oh, Ooh Ooh)
Won't You breathe on us
(Breathe on Us, Oh, Ooh Ooh)
