December 18, 2024

How to Help Your Friends

CADRE MISSIONARIES

© 2024 Cadre Ministries • Evangelism Is Relationships

What if sharing your faith in Jesus Christ was as simple as praying, loving, speaking, and sharing?

In Cadre's *Evangelism Is Relationships* training experience, you will learn to live a simple, Jesus-based approach for helping your family and friends find and follow Jesus.

Session 1 Pray

(Tuesday, January 7, 2025, 6-8 PM)

INTERCEDE. The first step in helping your friends find and follow Jesus is *not* talking to them about Jesus. The first step is talking to Jesus about your friends.

Session 2 Love

(Tuesday, February 4, 2025, 6-8 PM)

INVEST. The natural result of connecting with God's heart is a desire to love people with God's love. We will explore how Jesus intentionally befriended those in his relational sphere of influence—and how we can follow His example.

Session 3 Speak

(Tuesday, March 4, 2025, 6-8 PM)

INTERSECT. We'll explore how Jesus brought God's truth and grace to people in His relational sphere of influence. Then, taking our cues from Jesus, we'll explore how to bring God's truth and grace to those in our relational sphere of influence.

Session 4 Share

(Tuesday, April 1, 2025, 6-8 PM)

INVITE. God uses ordinary people like you and me to share the Gospel of Jesus Christ with others. We'll explore how to clearly share God's story, our own God story, and how invite others into a relationship with God through Jesus Christ.

All this is happening at
