GUEST SPEAKER: SHANE BOOKER

Lead pastor at Garden City Church
New Orleans, LA

Shane has always been an innovator for Student Ministry. He establishes a genuine connection and uses all the gifts and tools available to engage his audience, young and old alike. His down to earth relatable style will draw you in close and allow him to then share the absolute truths of his message.

Having spent most of his adult life actively engaging others for the Kingdom of Heaven, Shane and his family are now church planters in the lower Ninth Ward of the City of New Orleans.

Shane has the unique ability to not only entertain, but to draw people into his message in such a way that they walk away both challenged and having begun the process of transformation.
