Additional Yearly Fees

Due Feb. 1	Kindergartener	Senior
Graduation: covers Cap & Gown, Diploma and other costs associated with the ceremony	\$50	\$125

Incidental Billing: There are areas of our program that require incidental billing. These charges may include, but are not limited to: purchases of snacks from the canteen, uniforms, extra elective classes, field trips, etc. Typically, you will be notified for prior consent before the purchase and subsequent billing occurs.

Late Fees: All accounts are due and payable by the 1st of each month (starting August 1) and are past due after the 10th. A \$15.00 late fee will be assessed for accounts not paid by the 10th. Failure to pay as agreed will lead to the interruption of enrollment for your child(ren) at CEC.

Withdrawal: CEC requires a one-month written notice before disenrollment. This month will need to be paid in full whether the child is in attendance or not. We do not pro-rate fees. To ease the financial burden on parents, CEC chooses to bill curriculum fees on a bi-annual payment plan. CEC incurs these full costs at the beginning of the year. Therefore, January 1 curriculum fees must be paid regardless of disenrollment date.

Final report cards, student transcripts, and official records will not be released until accounts are paid in full.
