MISSIONS UPDATE

The Board has been looking into new missions opportunities for the church, as we expand our missions outreach both at home and abroad. We will update the church, as more information comes in.

MINISTRY OPPORTUNITIES

COFFEE FELLOWSHIPS

There is an opening for a few people who may like to make the coffee and put out the cookies or baked goods on Sunday Morning. We are hoping to find possibly 4 individuals/families who can take one Sunday a month.

You can also, easily swap out with another family if you will be gone on a certain Sunday. Responsibilities include making coffee and putting out the food. You would probably want to arrive by 9:15.

Cleanup can take place around 11:40 and if you can stay to cleanup that would be great, but it is not a necessity. Our primary goal is getting the coffee hot before the service!

KITCHEN COORDINATOR

There is also an opening for someone who wants to oversee the kitchen. This would simply entail making sure basic supplies are filled, like cups, plates, napkins. Also keeping an eye on the fridge and making sure the kitchen is generally kept organized and clean. This is not a very involved position, it just needs looking after on occasion. The church will of course will cover/reimburse for any expenses or provide a money card for supplies.

MINISTRY OPPORTUNITY

If someone is interested the sign out front by the road, needs to be changed on a month to bi-monthly basis. If you would have any interest in regularly updating the church sign, see Pastor Bill or Dan Arkema.

SOCIAL MEDIA!

THE ROBINSON GRACE CHURCH APP

Did you know that there was a church app? When you create an account, you can find any updated news, see a church calendar, and track your personal giving.

The App also has a direct link to the weeks sermon video and handout notes.

Also, you can personally update your profile picture in the church directory and access said directory as well.

For more info on the church app, see Dan Arkema.

All Church Work Day!

The last Saturday of April, 29, 2023 is this years Spring Work Day! (Rain date is the following Saturday.) We will meet from 9:00-2:00 at the church. If you have any suggestions of a project that you feel needs addressed, you can let Dan Arkema (Board Chairman) know. We do have some projects lined up.

- *We want to do the landscaping in front of the church by the main entrance.*
- *We also need to build a short fence by the south end of the church to stop traffic from circling around the back of the building.*
- *We also will do some general cleaning inside the church, such as carpet cleaning, dusting etc...*

For more info see Dan!
