Mission U Alumni Cares July 23-27, 2024 Calling all Mission U Alumni!

Given that this fall will be the first opening week of Mission University, this is the perfect opportunity for us, as Alumni, to give back to our school in our first-ever Alumni Cares Week.

The goal of this week is to help prepare the campus for opening week. During Alumni Cares 2024, we will fund and execute the projects that need to happen around our campus.

Alumni Cares 2024 projects include: **painting, landscaping, and demolition.**

There are projects for both the inside and outside of the facilities and campus. Visit the Alumni Cares website or talk to Pastor Chadd for more info.
